VERMEIREN
we care for you

Club Family

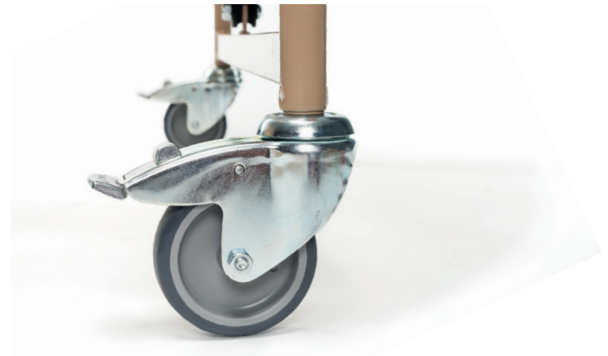

A series of beds combining over 65+ years of expertise in home care solutions. The Club family from **VERMEIREN** is designed based on input from users, rental companies and health care professionals. A simple and safe four-section bed to provide the best comfort and care at home.

Adjust all Club beds electrically with their three Linak™ standard motors. Adjust the height according to the needs of either user or caregiver for care or transfers.

The (anti-) Trendelenburg position is standard included to go the extra mile for the user and bring additional health benefits when needed.

The controller is easy to use for both carer and user but can be locked if needed for additional safety.

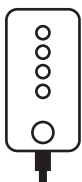

All 4 wheels can be locked for safety and security and allow for easy maneuvering.

Club VARIO

Club Vario is the height adjustable version of the Club bed. On top of all the Club benefits, the base height can be set up in two different positions. Choose

the height that suits your situation or needs best, adjust electrically later to suit different needs throughout the day.

81 cm
74,5 cm
40 cm
33,5 cm

Position 1: 33,5 cm (electrically adjustable till 74,5 cm)

Position 2: 40 cm (electrically adjustable till 81 cm)
